As a computer science enthusiast, I'm known for my adaptability, fast learning abilities, and unwavering discipline. Although I'm currently in the early stages of my journey, my passion for technology and my commitment to continuous improvement have propelled me forward. I'm determined to see projects from start to finish using each experience as an opportunity to expand my knowledge and skill set. I'm actively seeking opportunities to apply my skills and contribute to innovative projects and eager to prove my value as a motivated and resourceful team member.

## EDUCATION

### BSc. (Hons.) in Computer Science
Staffordshire University, UK (APIIT, Colombo)
*2023 - Present*

### GCE Advanced Level
Ananda College, Colombo
*2022 (2023)*

### GCE Ordinary Level
